Jennifer,

Thanks for e-mailing all the approved labels. This is very helpful.

Regarding 12455-116 (Agrid3 Blox), you indicated that the statement "This product may only be used inside and within 50 feet of buildings or inside of transport vehicles (ships, trains, or aircraft)" needs to be placed below the name of the product. The label only specifies in and around agricultural buildings. Shouldn't this statement read "This product may only be used inside and within 50 feet of agricultural buildings" like specified for 12455-117 (Agrid3 Pellets)?

All the other labels you sent look fine.

Thanks,
